**Decision of the Management Board
Adopting a Policy on Independence and Decision Making Processes for
avoiding Conflicts of Interest (Conflict of Interest Policy) for Non-Staff¹**

The Management Board of EIOPA,

Having regard to:

Regulation (EU) No 1094/2010 establishing a European Supervisory Authority (European Insurance and Occupational Pensions Authority)², (hereinafter "EIOPA") and in particular Articles 42, 46 and 70 thereof;

The Staff Regulations of Officials and the Conditions of Employment of other Servants of the European Union³, and in particular Article 16 thereof;

Whereas:

- (1) Independence and high standards of professional conduct by all those involved in the activities of EIOPA are crucial for EIOPA's excellence and reputation;
- (2) Transparency and openness are essential to ensure public confidence;
- (3) The responsibility for declaring any interest that might be considered prejudicial to their independence can only be placed on the individuals themselves;
- (4) High quality of expertise is by nature based on prior experience and knowledge acquired in the relevant domain.
- (5) Some of those interests may however conflict with EIOPA's objectives and responsibilities;

¹ Staff members are subject to similar Rules

² OJ L 331, 15.12.2010, p.48

³ Staff Regulations and conditions of employment replaced the Staff Regulations of officials and the conditions of employment of other servants of the European Economic Community and the European Atomic Energy Community laid down by Council Regulations No 31 (EEC) and No 11 (EAEC) of 18.12.1961 (OJ 45, 14.6.1962 - Special Edition 1959-62, November 1972), as last amended.

- (6) In order to ensure a coherent level of detail in the declarations of interests, a set of activities that might cause potential conflict of interests (CoI) should be defined;
- (7) Any CoI should be promptly identified, handled and mitigated without delay. To this end, a system of declaration of interests and their subsequent screening and evaluation is required;
- (8) To ensure consistent reporting and evaluation, a set of comprehensive declarations should be used;
- (9) A transparent procedure should be followed by establishing inter alia the following aspects:
 - a) Guidelines to the Chair, the Management Board, the Board of Supervisors and EIOPA's Ethics Officer performing the screening and evaluation of declarations of interest;
 - b) Transparent consequences linked to the interests declared.
- (10) Regulation (EC) No 1094/2010 requires EIOPA to establish and maintain an efficient and fruitful cooperation with bodies active within the European System of Financial Supervision. Without prejudice to the responsibility of each competent authority for the appointment of their representatives, including in relation to preventing CoI, it is therefore appropriate to establish a dedicated set of rules enabling EIOPA to foster strong and independent decision making as well as a real and effective network of organisations active within its remit.

Has adopted the following DECISION:

 - b) In the case of an ad-hoc declaration, the assessment should take into account the context in which the declaration is made, including the items on the agenda of a meeting in which the person participates and the role and function that he or she is required to take on or perform in that context.

SECTION II - DECISION ON THE ASSESSMENT OF THE DECLARATION

Article 9 – Process for addressing declared CoI of the Management Board and the Board of Supervisors

- 9.1. Upon being informed of an actual or potential CoI of an individual identified under Article 1.1.a), b) or c) by EIOPA's Ethics Officer, the Chair shall take his/her decision with the shortest possible delay. The decision on the outcome of the screening rests with the Chair, who shall take a

decision containing appropriate measures/action to remove or adequately mitigate an identified actual or potential CoI.

- 9.2. Upon being informed of a prospective employment by an individual identified under Article 1.1.a) or b), the Chair shall, with the shortest possible delay, take a position whether or not the prospective employment is seen as a CoI from EIOPA's perspective. The relevant National Competent Authority, current employer of the declaring individual, shall, where possible, be informed about the position of the Chair prior to taking its decision on the clearance of the prospective employment.
- 9.3. The Chair may on his/her own discretion submit the complete file for decision to the Management Board if he/she deems this appropriate.

In case EIOPA is aware, or is made aware, of some information that is not consistent with, or that is missing from, the declaration of an individual and that a preliminary assessment suggests that it concerns a declarable interest, EIOPA's Ethics Officer shall seek additional information from the individual with regard to the omission. At the same time, the individual shall be requested to update the missing details of the DoI.
- 10.2. Upon completion of the update, the DoI shall be processed and screened in accordance with the present Decision.
- 10.3. The Chair may take any appropriate preventive action regarding the individual's participation in EIOPA's activities.

Article 11 – Process regarding breaches of EIOPA's rules on Declarations of Interest

The Chair shall clarify whether, and if appropriate the extent to which, that individual influenced the outputs adopted by EIOPA. The Chair shall take all the appropriate measures to address these findings.

Article 12 – Review of the decisions of Chair and/or the Management Board

- 12.1. In the case a specific complaint filed by the concerned individual on a decision taken by the Chair, the Chair shall submit the complete file to the Management Board for its review and decision.

- 13.2 The purpose of the data processing is to safeguard the independence of EIOPA and its constituent bodies.

- 13.6 The conservation period of DoI shall be two years after the discharge for the budgetary year to which the DoI relates.
- 13.7 Data subjects with active EIOPA involvements have a right to access their Declaration of Interest and to update or correct it at any time. In case the EIOPA has knowledge of information that is not consistent with the declared interest, or in case of failure to submit a DoI, the data subject concerned will be contacted with the purpose to update the DoI on the missing information. In case an internal procedure is opened as referred to in Article 12 of this decision, the data subject will be notified.
- 13.8 Data subjects also are entitled to have recourse at any time to EIOPA's Data Protection Officer and/or to the European Data Protection Supervisor: <http://www.edps.europa.eu>.
