General Comment	<p>The explanation for the calibration weights should be included in a Technical Annex for transparency reasons - this is now included only in the Impact Assessment.</p> <p>We believe EIOPA should have in place a process to update the weights and indices. The proposed weights are outdated given that it is based on Q1 2013 data, particularly considering the SII implementation date on 1 January 2016. The allowance in the weightings for Type 2 equities may</p>
