

EIOPA Insurance and Reinsurance Stakeholder Group

Luca Giordano

With almost 20 years of expertise in financial market analysis, regulation, and market surveillance, Luca serves as the Head of Regulatory Affairs at Unipol Gruppo S.p.A., one of the leading insurance groups in Italy and Europe. In this role, he oversees a division responsible for economic analysis and policy advocacy on legislative and regulatory initiatives that impact the sectors in which Unipol operates.

Luca actively leads working groups focused on understanding the business impact of regulatory developments, providing impact analyses related to legislative and regulatory initiatives in insurance, financial, and banking regulations.

Before joining Unipol, Luca spent several years as a senior economist for the Italian financial market authority (Consob) and the International Organization of Securities Commissions (IOSCO). He began his career as an officer for the Italian Ministry of Economy and Finance (Treasury Department).

Luca holds a PhD in Economics and an MSc in Finance. He has several publications in international journals on banking and finance.
