Invitation to the insurance stress test 2018 third workshop with industry and actuaries representatives, 16 April 2018, Frankfurt am Main

Dear Sir/Madam,

We appreciate your organization's engagement in our previous workshops held in October and November of 2017 where key aspects of the EIOPA 2018 Insurance Stress test were discussed.

EIOPA is eager to follow up on the discussions already initiated with European insurance industry and actuarial profession representatives before finalising the EU wide stress test package that will be launched in May.

We will be pleased to welcome you at the third workshop on 16 April 2018 in Frankfurt am Main, where you will be invited to present your views and to engage in discussions with EIOPA experts.

In due time you will receive the necessary information for the registration to the event and for organising your stay in Frankfurt. We remain available for any questions you may have about the event.

We very much look forward to hearing from you, and, if you are available to participate, to welcoming you to Frankfurt on this special occasion.

Yours sincerely

Dimitris Zafeiris
